Imagine an Employer as Committed to Your Career Success As You Are.

At Wheaton Franciscan Healthcare, ongoing and continuous learning opportunities happen every day for our imaging professionals. We're continuously implementing new advancements in MRI examinations, CT scanning, nuclear medicine capabilities and mammography because we recognize that our success depends on the skills and talents of our people. By utilizing the latest imaging technology, you will upgrade your talents while improving your patients' health through early detection and treatment of many serious illnesses and injuries.

It is through this promise of professional development that we can provide unmatched quality care for our patients while developing your skills from the inside out. We wouldn't have it any other way.

We offer imaging professionals the opportunity to apply their talent into a variety of specialties including Mammography, Interventional, Ultra Sound, Nuclear Medicine, MRI and CT.

The imaging career you've been searching for is closer than you think. Wheaton Franciscan Healthcare has a variety of locations throughout Milwaukee, Racine and Waukesha counties. For a detailed list of our locations, visit us online at:

www.wfhealthcare.jobs

Build a career unlike any other with state-of-the-art innovation at your fingertips, while enjoying continuous learning and skill advancement opportunities on an everyday basis.

Ideal candidates will have successfully completed an accredited Radiologic Technology program and show ARRT eligibility. New grads welcome! EOE.

For more information or to apply, please visit

You may obtain a pin from your district representative or the WSRT editor.

PRESIDENT'S MESSAGE

Marsha Jones, RT(R)(M)

Dear WSRT Members, Students and Friends,

Summer is finally here and my thoughts and prayers are with those affected by the recent flooding here in Southern Wisconsin as they still try to clean up after Mother Nature's fury in June.

Since the WSRT Annual Conference in April, District I is busy with preparation and planning for the 77th Annual Conference to be held April 24-25, 2009 at The Kalahari Resort in the Wisconsin Dells.

The WSRT Board is working on a newly designed website with interactive drop down options, sign in/login for members and various other links. So watch for details on this interactive website which is coming soon to wsrt.net.

In June I had the pleasure of attending the ASRT Governance * House of Delegates Annual Meeting in Albuquerque, New Mexico. I was seated in the gallery as an observer in preparation for next year's meeting and I found the information presented to be very positive and helpful. The ASRT pin exchange offered a way to meet and network with other societies to find out what services they offer to their membership and what challenges they are facing.

Also the WSRT was presented \$500.00 from the ASRT for our grass roots efforts in protecting the health and welfare of the public. Sandy Helinski accepted the award as Legislative chair of the legislative committee which also includes Connie Geier and Susan Sanson. I would like to thank them and all of you who have dedicated your time and hard work on legislative efforts to protect our patients from unnecessary exposure to radiation.

The Board of the WSRT continues to offer 12 on-line Category A credits for no extra-charge to the members of the WSRT, just go to the website at wsrt.net and click link to edcredits.com to take advantage of this program. Also check out corporate memberships also available to members of the WSRT.

Please feel free to contact me or any other WSRT Board member with questions and or concerns.

Have a Great Summer!

Sincerely,
Marsha Jones RT(R)(M)
WSRT President

WSRT Current Membership

Verification Form

Please complete this form and forward to:

WSRT Member Services Lee E Erickson RTR
2703 Red Pine Court
Green Bay WI 54313-7943

(PLEASE PRINT)

I, _____, am enrolling in the Health Arts program at the University of St. Francis for the _____ (semester) of _____ (year) and request the WSRT provide proof of my current membership status.

I understand that this will enable me to obtain a 10% tuition credit.

500 Wilcox Street Joliet IL 60435

On behalf of District II, I would like to thank everyone who helped make this year's annual WSRT state conference a success. For the first time in five year's we didn't lose money on the convention. Hopefully, this is a swing in the right direction.

I would also like to announce that District II's next Saturday conference is scheduled for October 18th, 2008. Check the WSRT website in the near future for time and location of this conference.

Julie Tessen, RTR
District II Representative

District I would like to invite you to join us for the 77th WSRT Annual Conference. The conference will be Friday, April 24th and Saturday, April 25th, 2009 at the alahari Resort in the Wisconsin Dells. We will begin registration Thursday evening April 23th and at the beginning of each day of the conference.

The Conference will include many interesting speakers covering topics from Administrative, General, Mammography, CT, MRI, NM, IR.

**WSRT Annual Conference Chairperson
Mary Felhofer**

The Evolution of Imaging

April 24th and 25th, 2009

The Wisconsin Society of Radiologic Technologists

Preparations are under way for the 2009 ASRT election, and we need your help in securing nominations. Our goal for 2009 is to have qualified candidates running for every position. With your assistance, we can meet our goal of total representation for all national offices, national chapter and military delegates.

National offices include president-elect, vice president and secretary-treasurer. The national chapter delegates will serve a two-year term beginning with the 2010 House of Delegates, which will consist of two delegates from bone densitometry, computed tomography, cardiovascular interventional, education, mammography, management, medical dosimetry, magnetic resonance, nuclear medicine, quality management, radiation therapy, radiography and sonography.

One military delegate will be chosen per branch. Military delegates receiving the highest number of votes will serve a two-year term. The military delegate nominees for each branch receiving the second and third highest number of votes on the national ballot are the elected alternate military delegates for that branch and will serve a one-year term.

The ASRT Bylaws are very specific in outlining the nomination procedure:

- The process begins with a call for nominations for national officers and national chapter and military delegates published in the August issue of the *ASRT Scanner*.
- Those members nominated for national office or national chapter and military delegates must meet the qualifications outlined in the ASRT Bylaws. A link to the chapter and military qualifications is provided in this document or can be found at www.asrt.org under Criteria and Responsibilities.
- The ASRT office must receive all letters of nomination ***no later than 4:30 p.m. Mountain Time on Monday, November 3, 2008. For a nomination to be valid, a letter of acceptance from the nominee must be submitted.*** Nominations for national officers, national chapter and military delegates may be submitted by any ASRT voting member.
- Those nominated for national officer, national chapter or military delegate positions will be e-mailed a candidate information form that must be completed and returned to the ASRT office ***no later than 4:30 p.m. Mountain Time on Monday, December 1, 2008. No other form will be accepted. Those nominees who fail to meet this deadline will not be placed on the ballot.***

Nominations may be submitted by the online nominations form at www.asrt.org, About ASRT, ASRT governance, or by sending directly to Isabel Rascón, ASRT Governance Department at 15000 Central Ave SE, Albuquerque, NM 87123-3909, fax 505-298-5063 or e-mail at irascon@asrt.org.

Sincerely,

Bernadette E. Garofola, M.Ed., R.T.(R)(T)(CT)
Chairman, Committee on Nominations

Draw Yourself a Hawaiian Getaway

Buy your tickets for the 2008 Annual Drawing for a chance to win a dream vacation to the Hawaiian Islands, a Nintendo Wii with Wii Fit or one of three \$250 cash prizes. Your support allows the Foundation to fund scholarship and grant programs that transform the lives of imaging and therapy professionals.

Buy your tickets at www.asrt.org/drawing or call 800-444-2778. The contest is limited to ASRT members.

Attention Technologists!

77th Annual Conference

Essay, Scientific Exhibit and Video Exhibit Competition

April 2009

If you are planning on attending the WSRT Annual Conference in April at the Kalahari, why not submit an exhibit or an essay?

It is a great way to learn about a subject you want to know more about and you could earn some cash!

All you have to do is look over the rules, fill out an application, and send it in to start the process. Deadlines are posted on the application.

We are looking forward to having a great competition this year with as many competitors as we can find!

If you have any questions, feel free to contact me.

Ron Marker, BS, R.T. (R)
Chairman, Essay and Exhibit Committee
Ron.Marker@wfhc.org

WSRT ESSAY RULES

1. **Eligibility:** All second-year (senior) students and technologists attending the Annual WSRT Conference.

2. **Prizes:**

First Place	\$150
Second Place	\$100
Third Place	\$50

3. **Manuscripts:** All manuscripts must be original and submitted by one author. The manuscript must have a clearly identifiable thesis statement. A thesis statement is a single sentence that formulates both your topic (central idea) and your point of view toward it. Content and conclusion should substantiate the thesis. The topic chosen shall show relevance to radiologic technology. A complete bibliography should be included and reflect the most current research available. The bibliography and footnotes, if used, must conform to APA footnote style. A sample bibliography is included. Essays must be typewritten on an 8 ½ by 11 inch paper, double-spaced, 12 font, with 1” margins. The paper must be 6 - 10 pages in length not including inserted images. The page count must be done **without** any inserted images. Page count does not include cover page or bibliography.

Any graphic illustrations, charts, or diagrams used must be clearly labeled. No reference to a specific clinical site should be visible on any visuals used in the presentation.

Manuscripts submitted to the essay chairperson will not be returned to the author. Three copies of the essay manuscript and illustrations, **with no identification**, must be submitted to the Essay Chairperson no later than the postmarking deadline as indicated on the application in order to be eligible for an award. A fourth copy will be submitted to the essay chairman **in electronic form**. Copies of slides or radiographs to be used do not have to be submitted.

4. **Deadline:** The essay application must be submitted to the essay chairperson according to the postmarking deadline as indicated on the current application. All manuscripts must be submitted according to the postmarking deadline as indicated on the current application in order to be eligible for an award.

5. **Guarantee:** Each author submitting a manuscript will be required to agree in writing that she/he will present the paper orally at the annual conference if it is selected for presentation.

6. **Judging:** Three judges selected from the list by the essay chairperson will judge the essays on Parts 1, 2 and 3 of the “Essay Rating Scale-Paper”. This will be done prior to the conference in accordance with the judging instruction. The essay chairperson shall appoint three additional judges to evaluate the presentation of the essay at the annual conference using “Essay Rating Scale-Presentation”. The judges shall work independently and form their own opinions.
7. **Point Scale:** To be eligible for presentation at the annual conference, a paper must accumulate a total of 81 points when the judges’ scores have been compiled for parts 1, 2 and 3 utilizing the “Essay Rating Scale-Paper” prior to the annual conference. First, second, and third place awards will be awarded to the individuals receiving the three highest point scores. The total score on each essay is determined by compiling the scores from the paper and presentation evaluations. Please refer to the “WSRT Essay Rating Scale-Paper & Presentation “forms for assessment procedures.
8. **Presentation at the annual conference:** Once the preliminary judging has been completed the essay chairperson will tally the points and determine eligible papers for presentation based on total points accumulated. Thirty days prior to the annual conference, the essay chairperson will notify each entrant if her/his paper has been selected for presentation and the date and time of the presentation. Time limits will be strictly adhered to, and in the event a presenter runs over the allotted 15 minutes or under 12 minutes, points will be deducted in accordance with Part I: Time allotment of the Essay Presentation Rating scale. To enhance the presentation of the essay, speakers are encouraged to familiarize themselves with the essay content in an effort to avoid reading the paper verbatim. The WSRT will work with the needs of the presenters to provide the necessary audio-visual equipment. The presenter’s name will be announced prior to the presentation.
9. A student or technologist may only submit an entry into **ONE** category of competition: video exhibit, scientific exhibit or essay.
10. **Deviation from the Rules:** Deviations from these rules will be permitted only at the discretion of and by the action of the essay chairperson and the president of the WSRT.

WSRT SCIENTIFIC EXHIBIT/VIDEO RULES

1. **Eligibility:** All technologists and second-year (senior) students attending the WSRT Annual Conference.

2. **Prizes:**

SCIENTIFIC EXHIBIT

First Place	\$150
Second Place	\$100
Third Place	\$50

VIDEO DISPLAY

First Place	\$150
Second Place	\$100
Third Place	\$50

Please note that separate categories exist for video displays and scientific exhibits, therefore, first, second and third place prizes will be awarded in each category. Prizes will be awarded during the annual conference.

3. **Application for Space:** All applications for scientific exhibit or video display space must be received by the chairperson according to the deadline posted. The exact postmarking deadline for the scientific exhibit or video display is indicated on the application. Upon receipt of an application, a letter of acknowledgment will be mailed to the exhibitor(s). The WSRT will provide a 6-foot x 30-inch table for each display. The display may be prepared by one or more students or technologists. If viewboxes, surge protectors, or extension cords are needed, participants shall make their own arrangements to have them present at the annual conference. As an alternative, the exhibitor may request 6-feet by 4-feet of floor space for a free-standing, self-contained display. All displays should not exceed a height of 8-feet measured from the floor. The total display must be included within allocated space. Displays not conforming to the specifications will not be eligible for competition.

4. **Scientific Exhibit - Subject Matter:** The theme for any scientific exhibit shall address an area related to Radiology. The topic for the exhibit cannot be changed once it has been submitted on the application. **Any change will lead to disqualification of the exhibit.** Exhibits must be the work of the presenter(s). The name(s) of the presenter(s) and the facility where they are employed should be identified on a separate card and not placed with the exhibit until after judging has taken place. Judging will be completed prior to 3 p.m. on the first day of the annual conference. Exhibitors may enlist the aid of institutional print shops and/or private printing firms. Exhibits prepared by professional exhibit companies are not eligible for competition. The exhibitor must remove or block out any markings on the radiographs/images so identification of the patient or the institution is not possible. The exhibits should consist of a subject pertaining to radiological technology supplemented by such charts, photographs, or technical factors as may be necessary. (Any additional credits or resources should be acknowledged.) Exhibits will not be considered for awards if they have received a first, second or third place award at the ASRT Annual Conference or other physician-oriented conference (A.C.R., R.S.N.A., etc.) Exhibits do not require viewboxes and may consist of projection equipment and devices designed by the exhibitor. Please refer to the "WSRT Scientific Exhibit Rating Scale" for assessment procedures.

5. **Video Display - Subject Matter:** The theme for any video display shall address an area related to Radiology. The topic for the video cannot be changed once it has been submitted on the application. **Any change in topic will lead to disqualification of the video display.** Video displays must be the work of the presenter(s). The name(s) of the presenter(s) and the facility where they are employed should not be identified anywhere within the video presentation. A separate card identifying the presenter(s) and the facility where they are employed should be placed next to the video display after judging has taken place. Judging will be based on the video and not surrounding material. Judging will be complete prior to 3 p.m. on the first day of the annual conference. Time limits will be strictly adhered to, and in the event a video runs longer than the allotted 15 minutes or under 12 minutes, points will be deducted according to the video rating scale. All video and display equipment must be provided by the individual(s) creating the video. Please refer to the "WSRT Video Rating Scale" for assessment procedures.

6. **Time of Installation and Dismantling:** The time of installation of the exhibits will be determined by the exhibit/video chairperson. Installation must be completed prior to the opening of the annual conference. The presenter(s) must be present during the installation of the display, however, presenter may enlist the assistance of others. The Exhibit/Video Committee will be available to assist. Dismantling of the exhibit/video display must be completed by an assigned time of the last day of the annual conference. The exhibit/video chairperson will assign specific hours for installation and dismantling.
7. **Judging:** The exhibit/video chairperson will appoint three judges. To ensure accuracy of the exhibit/video information, medical imaging professionals will be selected as judges.

The judges will base their ratings on the WSRT Scientific Exhibit Rating Scale or the WSRT Video Rating Scale, and their opinions will be final. Judging will take place during the annual conference. First, second and third place awards will be presented to the individual(s) receiving the highest scores in the Scientific Exhibit and Video Display categories.

In the event that there is only one entry in any given category, a minimum point total must be achieved. For the video category, a minimum of 51 points must be achieved. For the scientific exhibits, a minimum of 35 points must be achieved.

8. **Liability:** WSRT will take all reasonable precautions to safeguard the exhibits/videos during the period of display, but the presenters are responsible for any loss or damage to the exhibit/video displays.
9. A student or technologist may only submit an entry into **ONE** category of competition, video exhibit, scientific exhibit, computer exhibit, or essay.
10. **Deviation from the Rules:** Deviation from the rules will be permitted only at the discretion of and by the action of the exhibit/video chairperson and the president of the WSRT.

Attention WSRT Members

Nominees needed for ASRT 2009 National Chapter Delegates

The WSRT is seeking individuals interesting in running for the following national chapter delegates to the ASRT: Cardiovascular, Medical Dosimetry, Magnetic Resonance, Management, Radiation Therapy, Sonography, Bone Densitometry, Computed Tomography, Education, Mammography, Nuclear Medicine, Radiography, and Quality Management.

Preparations are now underway for the 2009 ASRT election for these chapter delegates. There will be 2 delegates for each chapter and they will have national representation. This is an exciting opportunity. This election will be for candidates that will begin serving in the 2009 ASRT House of Delegates. Take a chance to represent your field of expertise. Become involved in making critical decisions regarding your field and learn and share knowledge from people throughout the country!

What would qualify you for this fantastic opportunity?

The criteria for chapter delegates follows:

Delegate must be certified in specialty field if advanced level certification exists. If there is no certification the delegate must show documentation of practice in the discipline.

Must be a voting member in the ASRT for 2 years immediately preceding nomination.

Delegate must have served as an officer or committee member in the ASRT or WSRT.

Must show proof of continuing education and have the time and availability to travel to necessary meetings.

If you are interested in any of these positions or have questions about the nomination process please contact me (Work 262-687-4588 or Home 262-835-1780) or fill out the application form in the Illuminator and forward to me at my home address: 15 Fawn Trail, Sturtevant, WI 53177.

Please consider this exciting opportunity to support and be involved in your profession.

Kelley Grant, B.S., RT(R)(CT)
WSRT Senior Board Member

WSRT MEMBERS
Nominations for WSRT Officers:
President-elect and Secretary

The WSRT is seeking individuals interested in becoming involved in their state society by running for the above offices. Elections will be held at the Annual Conference in April 2009 at the Kalahari in the Wisconsin Dells.

The duties for the offices are as follows:

President-elect: Must be a member in good standing with both the WSRT and ASRT. The President-elect shall serve as a member of the Board of Directors and should study and familiarize themselves with all aspects of the structure and functions of all offices, committees and by-laws of the WSRT. The President-elect is the Chair of the Nominations and Recruitment Committee. As Chair, this person will write a letter of encouragement to join the WSRT. This office shall maintain a complete and accurate file of all correspondence received and sent and transfer to successor at Annual Conference. The President-elect will assume the office of President at the next annual meeting of WSRT.

Treasurer: Must be a member in good standing with both the WSRT and ASRT. Will keep accurate minutes of all Board Meetings and Conference Calls and post on the website. Maintain the WSRT Handbook with updates as necessary. Responsible for ordering cards, certificates, pins and plaques for annual conference. This office shall maintain a complete and accurate file of all correspondence received and sent and transfer to successor at Annual Conference. Will maintain all records and equipment pertinent to office of secretary.

Please consider one of these positions – if interested in being a candidate please contact me at 262-835-1780 (Home) 262-687-4588 (Work) or by filling out the application in the Illuminator and mail to: 15 Fawn Trail, Sturtevant, WI 53177.

DISTRICTS MEET

DISTRICT III

The District III branch of the WSRT held a continuing education event on Saturday April 12th at Bellin Hospital in Green Bay. Mammotome specialists were on hand to cover various aspects of breast biopsy. While much of the program focused on stereo-tactic biopsy, some of the presentation covered ultrasound and MRI-guided biopsy as well. About fifty technologists attended (not all WSRT members) – each obtaining 4 C.E. credits. Spanning the morning were periodic questions to the group, divided into multiple teams. The winning team received priority in selecting door prizes. It was an info-packed four hours and there was much positive feedback provided by those who attended. The event was sponsored by Mammotome and WSRT District III.

- Craig Satori, D3 President

District VI

A meeting was held May 22 to attempt re-organization of district 6. Information was sent to all active district 6 members and to radiology departments in the district. Three members came to the meeting. It was decided to hold a mini-conference in October, tentatively October 18, depending on speaker and site availability. We will offer 6 credits, with continental breakfast and lunch. WSRT members may attend free, non-members will be charged a fee. There will be door prizes given away. More information will be sent to members when plans are finalized. We also discussed donating monies for a scholarship program at Western Wisconsin Technical. Bob Raasch will contact the WWT Foundation for some guidelines. This had been done in the past. Respectfully submitted, Sheryl Smith

WSRT Affiliate Delegate Report July, 2008

In June, I attended the ASRT meeting in Albuquerque with Chairman of the Board Randy Jasniewski, President Marsha Jones and Senior Board member Kelley Grant. The business in the House was brought into the electronic age this year as electronic voting was introduced. After a few bumps, the system worked well and seemed to streamline the voting process. Also new was the concept of a Consent Agenda. This concept allows resolutions unlikely to generate discussion and/or controversy to be voted on in a block format. The items in the Consent Agenda were reviewed by the delegates and a few were removed for discussion during the Commission Hearing. In all, 21 resolutions were voted on with the Consent Agenda.

No new business was discussed in the House. Most of the resolutions were verbiage changes. The discussion of the Associate Degree as the Entry Level again was a topic of discussion. A late resolution to sunset the resolution approved at the 2007 HOD was defeated.

Three continuing education sessions were held on June 14th 2008; Parliamentary Procedure: The Good, the Bad and the Ugly; Health Policy Issues Affecting Medical Imaging; and Medical Imaging Technology Advances: A Disruptive Innovation in Action? Each of these sessions provided valuable information to delegates and non-delegates alike. I recommended to WSRT President Marsha Jones that she take the information presented at the session on parliamentary procedure and apply it to our Annual meeting format in April, 2009.

The sessions on health policy and disruptive innovation were outstanding. These are issues that are at the forefront of Imaging, but generally only discussed at the manager and/or director level. The information that was shared was, I believe, eye-opening for many of the attendees. I would be happy to discuss this with any member who is interested.

The focus group discussion in which I participated was facilitated by Cathie Kukec and Donna Long. The discussion on how to prepare future imagers for the changes coming forth was mixed; some attendees were able to see the long range implications while others focus on the here and now. This is to be expected as the experience level and geographic location of the group was diverse and will impact points of view. In all, the participation was excellent.

Travis Prowant and Susan Cazeau declined the nominations for speaker and vice-speaker respectively. With that, the re-election of Cathie Kukec and Donna Long was unanimous. All elected Chapter Steering Committee members were also announced.

My voting record in the House is available from the ASRT or from me to any member who requests it.

Some key points from the ARRT, ASRT and JRCERT reports:

ARRT

- **86th anniversary in 2008**
- **Challenge to remain relevant as the pace of change accelerates**
- **Provided examples of changes made to respond to changes within field (e.g. primary to advanced certifications, fusion imaging, Nuc med to CT pathway, PACS Admin exam with SIIM)**
- **With ASRT, online Digital Imaging Academy will be available in fall, 2008**
- **CQ 2011 and beyond ASRT /Affiliate Delegate Report cont.**

ASRT

- **Lynn May and Cathy Daniels addressed the HOD**
- **Sal Martino provided an ASRT Foundation update**
- **Radiologic Technology Magazine received Gold Award from ASAE**
- **ASRT Resources will be targeted to areas of expertise**
- **House has 149 co-sponsors or CARE bill; Senate has 27**
- **CT consensus conference report on ASRT web site w/ an executive summary in Radiologic Technology magazine**
- **2009 RSNA will offer a technologist track for credits**
- **Foundation has opportunities available for scholarships, grants, etc**

JRCERT

- **Looking for additional site visitors. Not just educators but practitioners as well. Greatest need is Radiation Therapy. MR and Medical Dosimetry**
- **Reviewed highlights of new standards**
- **Overview of current activities (electronic submission of accreditation materials. Website redesign, 9/08 implementation of ASRT curriculum, evening and weekend rotations for students, etc)**

I want to express my thanks to the WSRT membership and Board for their support and for the past two years. I will be transitioning the position and associated items to Jayne Exner as she steps into the Affiliate Delegate role.

Respectfully submitted,

Connie Slomczewski
WSRT Affiliate Delegate Emeritus

The Wisconsin Society of Radiologic Technologists

FELLOW APPLICATION

In order to recognize the significant contributions of WSRT members to our professional association, the WSRT has instituted a Fellow status.

Using the evaluation point scale and form below, members may submit an application for Fellow status. Applications are made to the Fellow Committee. All applicants will be notified of the Committee's decision, and those members who qualify for Fellow status will be recognized at the following state annual conference.

The deadline for submission of applications is March 20. Fellow status will be conferred at the following state annual conference. Application fee is \$25 to the WSRT.

INSTRUCTIONS

Please note that it is improvement to submit appropriate documentation to support the total value of each category. Documentation relative to titles of lectures and locations, as well as references of publications must be submitted. Inclusion of a resume or curriculum vitae is also requested.

There are four major evaluation categories: WSRT contributions, education, professional experience, and professional contributions. Each of these has a maximum point limit.

Items within each category are assigned a point value, indicated in parentheses. The applicant identifies the year(s) of achievement for each item and multiplies that by the point value. For example, Item IA2, each elected office at 4 points:

Office: Treasurer Yr. 1979-82 (3 yrs. x 4 = 12)
Office: Secretary Yr. 1984-86 (2 yrs. x 4 = 8)
All accomplishments, ie., elected offices, Committee appointments, publications, etc. must have been completed at the time of application in order to be eligible for consideration.

Completed applications should be mailed to:

Linda Krause R.T.R, RDMS,FWSRT
5675 168th St.
Chippewa Falls, Wi. 54729
krause.Linda@exeau.mayo.edu

Membership Participation

Active/ASRT members are also active members of the American Society of Radiologic Technologists. (*Proof on ASRT membership required with application.*)

Associate members are actively practicing the art and science of Radiologic Technology who are not members of the ASRT.

Inactive are no longer engaged in the field of Radiologic Technology.

Commercial/Supporting members are interested in promoting the purposes and functions of the Wisconsin Society of Radiologic Technologists.

Student members are enrolled in an educational program recognized by an acceptable accrediting body.

Corporate members are a minimum of six individuals who are members of the same organization who are qualified to hold either an Active/ASRT* or an Associate membership in the WSRT.

***ASRT Members:** The WSRT offers a reduced fee to all members who also hold membership in the ASRT. To receive active status and reduced fee, you must enclose a copy of your current ASRT membership card. Your ARRT card does not qualify for this discount.

Recruitment Incentive:

Who asked you to join the WSRT?
They could win a prize!

Student Applicants please complete the following:
